

IMMIGRATION SOUTH AUSTRALIA

SA Regional Workforce

List current as of 07/08/2020

The South Australian Regional Workforce Designated Area Migration Agreement (DAMA) has been designed to address skills shortages across the entire state of South Australia.

This DAMA is for South Australian local employers to sponsor regional growth industries of agribusiness, health and aged care, hospitality and tourism, mining and construction sectors with the ability to access and retain a skilled workforce.

The list below shows occupations that are eligible for sponsorship under the DAMA for South Australia's Regional workforce.

The age concessions in this DAMA require candidates to be under 50. Employers may consider applying under the standard Temporary Skill Shortage visa (subclass 482) outside of the DAMA for occupations with no concessions.

Agribusiness occupations will apply to the businesses located in the 5110 - 5734 postcodes.

The State Nomination Occupation Lists for general skilled migration is available to view [here](#).
