

# South Australian Regional Workforce Designated Area Migration Agreement

The South Australian Regional Workforce Designated Area Migration Agreement (DAMA) has been designed to address skills shortages across the state.

It will assist a range of industries including agriculture, forestry, hospitality, tourism, health and construction to fill critical employment gaps and drive economic growth.

The tables below show occupations that are eligible for sponsorship under the DAMA for South Australia's regional workforce.

The age concessions in this DAMA require candidates to be under 50.

Employers may consider applying under the standard Temporary Skill Shortage visa (subclass 482) outside of the DAMA for occupations with no concessions.

For further information visit: [migration.sa.gov.au/dama](http://migration.sa.gov.au/dama)

## Area: South Australia
